APEN Policy Agenda: Healthy, Green, and Just Communities

- ♦ Healthy, Vibrant Neighborhoods: Land use policy, community & economic development that builds green, walkable, affordable, culturally vibrant neighborhoods that lift up the existing community to thrive.
- ♦ Clean Air, Healthy Communities: Pollution reduction and a transition to alternative energy to benefit climate and public health.
- ♦ Green Economy and Green Jobs: A just transition for workers and communities to an economy that meets community needs, provides quality living-wage jobs, is good for the environment, and provides opportunities for all.
- ♦ Democratic Participation / People Power: Those most impacted by the economic and environmental crises are able to fully engage in the decisions that affect their lives and hold governments accountable to community interests.
